HOCKEY SKILLS PROGRAM FOR TYKE, MINOR NOVICE & NOVICE PLAYERS

This program is designed to give the players the opportunity to learn the fundamentals of hockey in a structured and fun atmosphere. It is our hope that this program will enhance all the children's enjoyment and appreciation of the game, and make the hockey experience richer and more rewarding for all the children.

The program will be operated by Bruce Tennant. A child will first learn the fundamental skating skills needed as a base in order to further develop hockey skills. With a solid level of skating, hockey skills can be further developed at a faster and more efficient pace. The drills and practices will vary throughout the session as the players' progress in their skills and abilities. All participants MUST wear full hockey equipment. Parents will be asked to provide a waiver to Bruce Tennant and ARHA providing releases related to the program.

The Hockey Skills Winter Session will be 9 weeks and run at Baycrest Arena every Sunday from January 7th to March 4th. The cost for the Hockey Skills program is \$238.50. These fees are NOT covered by your registration fees to the League.

There will be two classes, with a maximum of 20 children in each class.
