

March 2016

The Select program at Avenue Road has thrived in recent years in both growth and success. During the past Select season, Avenue Road fielded thirteen teams ranging in age grouping from Tyke (age six) to Midget Senior (age eighteen).

Select hockey, in case you do not know, is made up of the best players from the house league roster. Teams are chosen in individual age tryouts. In order to play Select hockey, the player must also play in the house league. The Select schedule consists of one additional game and practice each week in addition to existing house league hockey requirements (i.e. a total of one mandatory house league game, one Select game and one Select practice per week). Please note that practice schedules for each age group's teams can be found on the Avenue Road Hockey Association web page. The weblink for this information is: www.avenueroadhockey.com.

This season, we are planning to ice thirteen select teams in a variety of age groups as outlined below. Please remember we reserve the right to add or delete any team in any age category, depending on enrollment.

We encourage players from the house league to see how they 'stack up' against the best players in their division at the first Select tryouts in May, which are open to all registered players. For all returning Select players, please be reminded that you will NOT be allowed to try out wearing your Select jerseys.

Subsequent tryouts are by invitation only. The first tryout dates in each division are as follows:

To note: The first tryout for 2005 players will be two separate tryouts.

2005 Minor Pewee White will be from 7:10 to 8:10

2005 Minor Pewee Black will be from 8:20 -9:20.

All players are invited to tryout for either team or both whichever they chose.

To note: as this is a NEW team, the Tyke 2010s are looking for parents to be manager and coaches. Should you or someone you know be interested, please contact Alan (alan.simon@avenueroadhockey.com)

To note:

We remind all players that should they be considering new equipment purchases for the upcoming season that black helmets and hockey pants match nicely with Avenue Road team colors. If possible, please attempt to co-ordinate purchases along this color scheme.

GOOD LUCK TO ALL!!
