### REFUND POLICY

Registered players who withdraw before August 1, 2018 will receive a full refund (less a \$100 processing fee). Refunds will be given after August 1 (less a \$100 processing fee) ONLY if a replacement player is found. **NO refunds will be given after August 15<sup>th</sup>, 2018.**

**Refund requests must be in writing or by email.** Refunds are **processed by cheque.**

### SAFETY & UNIFORMS

Safety concerns are paramount in hockey. It is mandatory that protective equipment be worn at all times. No player will be allowed on the ice without full C.S.A. approved equipment, including a BNQ neck guard, shin guards, shoulder pads, hockey gloves and a full-face mask. All players receive a team sweater and socks. The new CMHA guidelines state that **all players must now wear a mandatory mouthguard** as part of their equipment.

### SUNDAY HOCKEY SKILLS

The League will offer a skills program to registered players only, in the tyke, minor novice and novice divisions, during the season. An email fully explaining the program will be emailed out in late summer.

### MITE DIVISION

Children born in 2014 and 2013 are eligible to play in the Mite Division. This division, which plays on Sunday afternoons at Baycrest Arena, consists of three classes 11:30a.m.- 2:15 p.m. The early class (11:30 a.m. – 12:15 p.m.) is intended for children born in 2013 and the latter two classes (12:15 p.m. – 1:15 p.m. & 1:15 p.m. – 2:15 p.m.) for those born in 2014. The players are divided up **based on skills** NOT by convenience (and NOT always by year of birth). Final **placements are at the discretion of the instructors.** The season consists of instructional skating and hockey with professional instructors. The Mite convenor will contact each parent prior to the start of the season.

## **SPONSORS**

Anyone who wishes to sponsor a team (cost \$850) should indicate an interest in the appropriate space at the bottom of the registration application. Last year's sponsors will be contacted automatically.

## **REFEREES**

Any player who will be 14 years old as of December 31<sup>st</sup>, 2018, who wishes to referee in the League is to contact [nathaniel.epstein@avenueroadhockey.com](mailto:nathaniel.epstein@avenueroadhockey.com)  
Please be advised that ARHA **does not cover any costs** associated with becoming a referee.

## **\*\*\*SELECT DIVISION\*\*\***

The Select Division of ARHA provides an additional opportunity for house league players to play hockey in a more challenging and competitive setting. Tryouts for the Select Teams will take place in May 2018. A full schedule of tryouts will be posted in April 2018, as well as emailed to registered players. If you have any questions concerning the program you are welcome to contact [alan.simon@avenueroadhockey.com](mailto:alan.simon@avenueroadhockey.com)

## **VOLUNTEERS**

The League is ALWAYS looking for volunteers in the positions of: convenor, coach, trophies, equipment, banquet and general help. Please consider volunteering your time and indicate it on the application form...it IS what continues to make ARHA well-run!

## **PARENTAL SUPERVISION**

Parents are advised that at each game, in case of emergency, there must be someone responsible for your child, other than the coach. Failure to adhere to this policy jeopardizes your child's continued participation in our League. As well, there is a space on the registration form to indicate the main contact for the child if there is a separation or divorce in the family.

## **HEALTH CONDITIONS**

There is a space on the application to fill in if there is a health condition that the League should be aware of for your child.

## **EQUALIZATION TRADES**

In order to promote good sportsmanship and fun, we try to ensure that the house league teams are as balanced as possible. Accordingly, we reserve the right to trade players between teams, in a manner designed to achieve a competitive balance.

## **ATTENDANCE**

Players who miss more than 3 games owing to conflicting commitments (e.g. other sports or activities) may risk suspension without refund. Such players may also be denied re-registration for the following season, so that more dedicated players will get the opportunity to play.

## **HOLIDAY POLICY**

The policy of the League continues to be that no games or practices will be scheduled between Friday and Saturday night, and on recognized holidays. The League reserves the right, however, to schedule optional practices on certain holidays that fall within its regular hockey schedule.
